We organize ELEPHANT trekking, including transport and lunch for a very interesting price.

We arrange tours with the motorbike exploring the area around SEN MONOROM. With a good guide having a lot of experience you will know the background of the places.

We can make your tour a fun and cool time for a good price.

We arrange tour trekking by foot to the forest and go visiting the waterfall. You can do this in one day but you might also want to make the experience of sleeping overnight in the jungle or in one of the surrounding villages.

We also arrange tour trekking to the deep jungle by foot.

We can arrange good and clear prices for all the tours we organize.

Manage guide

We have good guides with a lot of experience, speaking English and making it possible for you to communicate with local people. They know the area and it's background very well.

We arrange tours by elephant, going to the forest to visit the waterfalls and to meet the minority people in whose village we can sleep overnight, if you don't want to go back after one day. We arrange tour trekking by elephant go to jungle and the waterfalls. You might be lucky and see some animals and you will for sure be surrounded by a lot of big trees that you have never seen before. So you will have a cool time and lots of fun with the guides (English speaking guide and minority guide).

Ladies and gentlemen, don't hesitate to come by and ask for any information you need: bus ticket, organizing the pick up to go wherever you want to, booking a nice, safe and clean guesthouse for interesting prices from 3 to 9 \$.

There is only one BAR in Sen Monorom which has good music and even Internet service ;o). So all that you are looking for in one and the same place: the Green House, whose staff does not only know Mondulkiri (we've got the map!) but can also help you with information about other parts of CAMBODIA, for free and with a friendly smile.
